

"We all play our part to achieve excellence in everything"

SUN SAFETY POLICY

- We encourage parents to apply sunscreen to their children before they come to school in the morning and to provide a named container of sunscreen for their child to apply during the day where necessary. Children will not share their cream with other children.
- School staff will supervise children whilst applying sunscreen where necessary.
- Children should bring a sunhat to wear on sunny days (unless there is a medical reason for them not to wear them). School has spare hats for children to wear if necessary.
- Children should wear clothing that covers up their shoulders, especially on school trips.
- Sunglasses can be worn by children, but not as fashion accessories. School cannot be liable for loss or damage of sunglasses.
