

WALSINGHAM CE VA PRIMARY SCHOOL NEWSLETTER – 1ST APRIL 2022

Wishing you all a very Happy Easter!

Hedgehogs

Hedgehogs have done lots of Easter based activities this week and it's been great fun. We really enjoyed making Easter wreaths and learning about symmetry by decorating eggs. The maths Easter egg hunt was a big hit and the children were so fast at solving clues. Maybe we should involve chocolate in our maths more often!

We are all looking forward to a nice rest and of course some treats from the Easter bunny over the holidays. Please remember to read lots and practise those spellings. Have a lovely break and see you all for a fun filled summer term where our learning theme will be Animals!

Warriors

This week in the Warrior class we have been focussing on creative writing in our English lessons. The children have written beautiful descriptions of The Tree of Life and should all be very proud of their effort! We have painted eggs, made chocolate cornflake cakes and visited the Shrine all ready for the Easter holidays. It has been a pleasure to be back teaching the children again. I am very much looking forward to next term. Thanks everyone.

Happy Easter
