

WALSINGHAM CE VA PRIMARY SCHOOL NEWSLETTER – 13TH MAY 2022

There are lots of attached letters this week...

Hedgehogs

We have had a wonderful week of learning in Hedgehog Class. The children have worked extra hard at following class rules, which explains why we have collected 36 class cubes! The children will vote on their preferred treat and then will have a Class Treat next week to celebrate.

We're really enjoying our book, Pig the Pug, in English and the children have described the characters in the book using fantastic adjectives. In maths we are doing really well at telling the time and some children let us know when we're running late for lunch now.

Today we planted some sunflowers and the Hedgehogs know exactly what to do to help them flourish. We can't wait to see how big they grow before we go off on Summer Holidays.

Warriors

We have been Year 6 Cheerleaders this week as the Year 6 children have been doing their SATS. They have been absolute superstars and worked so hard. All the staff are so very proud of them, well done! :) We will be having a popcorn and smoothie party on Friday afternoon as a 'well done'.

The children are all excited to find out what happens next in The Tempest and to continue finding out about different cultures. This week we will be looking at tribes in the Amazon Rainforest.

Please remember the homework is due on the 25th May.

This homework needs to be done to the best of the children's ability as we will be having a Stop and Share to present this learning to other children and parents after half term. Remember to include pictures and diagrams. Your learning should be presented in interesting ways. :)

Thanks everyone. Have a great weekend!

JUBILEE POSTER COLOURING:

The Parish Council would like to display their posters for the Jubilee Celebrations around the village and would be grateful if the children could colour them in. Please return them as soon as possible.

SPORTS EQUIPMENT FOR SCHOOLS

SCHOOL DINNERS:

From 6th June, the cost of school dinners will increase to £2.50 per day - see letter attached.

SPORTS EQUIPMENT FOR SCHOOLS VOUCHERS

We are collecting these vouchers from the local papers. Please collect them and bring them into school where we have a box for them. Please keep the sets of vouchers as a whole set, don't cut them up, as it makes them much easier to count! Thank you.

FORTHCOMING DATES:

Fri 20th May - Class and Whole School photographs
Wed 25th May - Reception children measuring, hearing, vision checks - School Nurse
30th May - 3rd June HALF TERM
