

# WALSINGHAM CE VA PRIMARY SCHOOL NEWSLETTER – 30TH SEPTEMBER 2022

## Year 5 and 6 enjoyed 'Bikeability' last week!

### Hedgehogs

We've had a very exciting week reading 'Jim and the Beanstalk' in Hedgehog Class. When Mrs Forbes walked in on Monday she was so surprised to see a beanstalk had grown in the classroom! We have enjoyed learning about the two books, Jack and the Beanstalk as well as the sequel - Jim and the Beanstalk. We've done lots of acting, drawing and writing based on the stories.

Our PE has been really fun this week learning new dance moves as well as practising different jumps. All the children really enjoy these lessons and we love watching them grow in confidence when they perform at the end of lessons. Keep it up Hedgehogs!

Don't forget to support your children with spelling practice and reading whenever you get a chance at home. Also a little reminder to name your children's jumpers and cardigans so we don't get in a muddle at the end of the day.

### Warriors

We have had a busy week this week in the Warrior class. On Tuesday, we travelled to Norwich and visited the Bridewell Museum to find out all about the history of chocolate! We even got to try some, this was very exciting. Not many of the children were very keen on the Maya chocolate though, it was very bitter! That aside, we had a fab trip out and the children were great ambassadors for Walsingham School. We have also been busy designing our own planets and creating amazing comic strips. It's been a great week, keep it up guys!

### COATS:

Please ensure children come to school with a coat. They are outside in all weathers and many are feeling the chill in the air now.

**NON-UNIFORM DAY:** We will be holding a non-uniform day on Friday 21st October. In return for wearing their own clothes, please send in a raffle prize (e.g. chocolates, bottle, toiletries etc) for the Firework event at Hindringham.

**PE KIT:** Another reminder about PE uniform. Please make sure children wear the correct kit on PE days and for after school club.

### FEDERATION SITE MANAGER:

We are very happy to announce that Pete Cunningham has joined us as our Federation Site Manager. Having previously worked as a Deputy Headteacher, and also having experience of working in the building trade, Mr Cunningham is ideally placed to take on the role and will add a great level of expertise to our team.
