Hedgehogs

We have had another great week in Hedgehog Class. Red Nose Day was great fun and we especially enjoyed having left over cake! Thank you to everyone that helped us raise money. We have worked so hard that we have earned another class treat, so well done Hedgehogs! Keep it up and we can come to school in our PJ's more often.

Monday and Tuesday will be extra fun next week as Mrs Lingwood and Mrs Guymer have lots of Easter craft activities planned.

We hope all the mums have an extra special day on Mothering Sunday.

Warriors

I'm pleased to inform you that the Warriors have had a busy few weeks. The Year 5s have been away for three days on their residential trip to How Hill. We wish them all a well-deserved rest this weekend. The Year 6s attended Gresham School's STEAM event last Thursday. They competed in a series of science, technology and engineering challenges with their counterparts from the Federation. One of our groups successfully came in first place and will be returning to Gresham's in July for the final. In English, the Warriors have begun researching facts about the Vikings and Anglo-Saxons for a non-fiction text they are currently drafting. We have been investigating the properties of magnets through scientific enquiry. The Warriors will use the knowledge they have gathered to design their own game that includes a magnetic component. The Warriors have begun exploring the Geography of Norway, discussing key physical features such as mountains and fjords.

Thank you to everyone who supported our Red Nose Day celebrations this week. We raised an amazing £207.00
