

WALSINGHAM CE VA PRIMARY SCHOOL NEWSLETTER – 12TH MAY 2023

SATS week is over - well done Year 6!

Hedgehogs

Hedgehogs have really enjoyed the book we're reading in English, Vlad and the Great Fire of London. They were very good at thinking of verbs to describe what Vlad would have been doing all those years ago.

The trip to the Garden Centre was a great success. Everyone had a great time choosing fruit plants, vegetables plants and herbs. We can't wait to plant them on the field and watch them grow.
From the Hedgehog Team

REMINDER:

Jewellery should not be worn or brought into school. This is for safety reasons and causes difficulties when items are lost or misplaced.

THANKS:

Many thanks to everyone who donated prizes and came along to support us at the Village Fair for the Coronation - we made £141 for school funds.

Warriors

We are so proud of the Year 6s and how they have conducted themselves this week. They have completed their SATs papers and we now wish them all a well deserved rest this weekend. In English, the Warriors have been learning to infer the feelings, motives and actions of characters in a narrative in addition to writing informal emails to the main character. In Science, we are learning about the human body as part of our topic 'Healthy bodies and minds'. The Warriors are conducting investigations to answer the question: 'Why do some people have stronger leg muscles than others'. We have participated in a series of physical activities; collecting, recording and presenting data that we hope will help us answer this question.

NEWSPAPER VOUCHERS FOR LEGO®

Thank you to everyone who collected and donated vouchers from the newspapers. We have 1787 vouchers so we will be awarded some Lego resources and we might even win the big prize!
