

WALSINGHAM CE VA PRIMARY SCHOOL NEWSLETTER – 9TH JUNE 2023

Summer term - lots going on!

Hedgehogs

Well done Hedgehogs we have had a fantastic week after a well deserved break. We have created wonderful art based on the Great Fire of London, sorted lots of alien and real words and blown Mrs Sutton's socks off with our ability to tell the time! A highlight of the week was a trip on the mini bus to the Salhouse Art Exhibition. The artwork looks fantastic and everyone should be very proud of themselves.

Just a gentle reminder to make sure your child has a coat in school because children in Hedgehogs, particularly Reception, are offered indoor and outdoor learning opportunities every day. A light waterproof is perfect for these Summer months. As it gets warmer, please also remember to pack a named sun hat and apply sun cream before school. Your child is welcome to bring a named bottle of sun cream to school if they are able to apply it themselves.

Warriors

Hello everybody! I hope you have all had a restful half term break. In English, the Warriors have been exploring Biographies and how they are used to recount the life and achievements of a person or group of people. We have been studying Biographies of the footballer Marcus Rashford in addition to composing and writing questions for a formal interview. In our Art lesson this week, we have been studying 'Pop art', particularly the work of the artist Andy Warhol. The Warriors have also explored the History of Athletics, starting with the Olympics in Ancient Greece.

ART EXHIBITION: We enjoyed visiting Salhouse church for our Art Exhibition this week. The exhibition is there until Tuesday - do go and see it if you have a chance. Lovely work from all four schools.

WEATHER!: Please ensure your children are prepared for all weathers. Please could we have coats, hats and sun cream in school as necessary

SUMMER TERM EVENTS: Further details and permission letters will follow soon for all of the trips and events listed below.
