

WALSINGHAM CE VA PRIMARY SCHOOL NEWSLETTER – 22ND MARCH 2024

It's nearly Easter...

Hedgehogs

Hedgehogs have been having so much fun learning all about the book 'Where the wild things are'. They have just started to write their own version of the story and it is looking fantastic. They have made wonderful wild things masks and have been singing a wild things song that they made up themselves. Maths has been lots of fun because we have been experimenting with weighing. This also led us to do some baking which the Hedgehogs are fantastic at.

We are talking about Easter a lot in school and we are really looking forward to our Easter Service next week.

Badgers

The Badgers have been busy this week completing assessments and have shown maturity and a good attitude with these tasks. Well done, Badgers! The Y5s have been on a residential trip to How Hill. Mrs Sutton visited on Thursday and said that they were having a great time – we look forward to hearing more of their adventures on their return.

Badgers have been making robots in DT lessons; the Y6s have made motorized robots and Y3/4/5 have made wooden puppets with moving limbs. We are rounding off the week today by making robot biscuits.
