

WALSINGHAM CE VA PRIMARY SCHOOL NEWSLETTER – 19TH APRIL 2024

Looking forward to Founding Day next week

Hedgehogs

Hedgehogs have had a great first week back and it's been lovely to hear all about what they got up to over the Easter holidays.

Our learning theme this half term is Water so we have started off our English with a book that the children love... Pirates love underpants! We have had lots of fun already making treasure maps and even designing our own pair of pirate underpants.

In Science, we have made a weather station and the children are very excited to have a go at recording the weather on the day that they are the special person.

We are really looking forward to all the fun we will have in Hedgehogs this Summer term.

Badgers

We hope you all had an enjoyable Easter break. The Badgers have settled in well to a new term of learning.

Our new learning themes are 'Africa' and 'Ancient Egypt'.

In English, the Y6s have been discussing and writing about whether graffiti is art or vandalism and the Y3/4/5s have been reading 'Runaway Robot' by Frank Cottrell-Boyce.

We are all looking forward to the Founding Day in Walsingham next Friday.

COFFEE MORNING AND ADVICE:

Please join us on Tuesday 23rd April at 9.00 am for a very useful session about 'Helping your child with fears and anxiety'
All welcome.

PILGRIM FEDERATION FOUNDING DAY:

We are all looking forward to celebrating our Founding Day with the other schools next Friday. A letter is attached giving more information. Please would **EVERYONE** return the reply slip by **Wednesday** please, so that I know how many lunches to order in advance.
Thank you.
