

WALSINGHAM CE VA PRIMARY SCHOOL NEWSLETTER – 3RD MAY 2024

Remember it's Bank Holiday on Monday - no school!

Hedgehogs

Hedgehog's have made some fantastic wanted posters this week. We are on the look out for Captain Blackbeard so let us know if you've seen him, but be careful, he is very dangerous!

In Maths, we have been learning all about fractions and we are all fantastic at cutting objects and shapes in half. Reception have been working extra hard on numbers up to 30 and we are so impressed with them.

We have also learnt a new pirate game which has been great fun. The children have to scrub the deck, climb the rigging and jump into lifeboats without getting caught out.

In Science, we are finding learning about the water cycle really interesting and hope to base some art on the journey water takes.

This will be displayed at Salthouse Church in June.

Keep up the hard work Hedgehogs!

SUN CREAM:

As the weather warms up, children are welcome to bring suncream to apply themselves as we will be out on the field for playtimes whenever we can.

Badgers

In English, Badgers have been reading African fables about Anansi the spider. Pupils in Years 3, 4 and 5 have even had a go at writing their own Anansi story!

Year 6 pupils have been working very hard in preparation for their SATS tests which will take place during the week beginning 13th May. We will try to keep these assessments as low-key and stress-free as possible with plenty of breaks and snacks to keep the children going! Y6 pupils need do no more than rest well and make sure that they are in school on time, ready to start the tests. Well done Y6s – we are proud of all the effort you have put into your learning and know that you will do your best.

CLASS AND WHOLE SCHOOL PHOTOGRAPHS:

Photographs were taken today of class groups and for the whole school picture and a special one of just our Year 6 children. Proofs will be sent home when we receive them, with instructions for ordering.
