

WALSINGHAM CE VA PRIMARY SCHOOL NEWSLETTER – 17TH MAY 2024

Lots of summer activities are being planned!

Hedgehogs

Hedgehogs have been writing a class poem all about water and have really enjoyed using instruments to add effect.

We have been getting very busy creating some wonderful art to do with our water theme and we look forward to seeing it exhibited at Salhouse Church.

We were sad we missed our walk to the ford because of the weather. We will try again on Monday or Tuesday. Please remember both a coat and hat as we never quite know what the weather will be like.

Badgers

Congratulations to Year 6 pupils who have completed their SATS tests. Well done to all – you tried really hard and we're proud of you.

Children in Years 3, 4 and 5 have been continuing their learning about Africa. This week, we have been researching and writing about African animals and countries. Pupils have also been learning about shapes and angles in Maths.

PARKING: Please park considerately when dropping off and picking up your children, preferably away from the school gates, to avoid congestion or accidents.

REMINDER: School does not open until 8.30am. Parents and children should please remain outside the gates until a member of staff comes out into the playground. Please do not leave your children unattended until a member of staff is there.
