

# WALSINGHAM CE VA PRIMARY SCHOOL NEWSLETTER – 5TH JULY 2024

Let's hope it's sunny for our beach trip!

## Hedgehogs

This week Hedgehogs have been doing lots of learning based around the story 'The Very Hungry Caterpillar'. We have been making very colourful caterpillars by making repeating patterns in Maths and we have enjoyed tearing coloured paper up to make the most beautiful butterflies in Art.

We have also enjoyed getting to know our new teacher, Miss Collison, and had lots of fun on Wednesday with our brand new Hedgehogs.

## Badgers

Badgers have been very busy recently! We enjoyed our Sports day last Wednesday and had great fun at Bewilderwood on Friday.

Year 6s have been working with others in the Federation to programme Lego robots to complete challenges. They have also been taking part in transition days at Alderman Peel High School. We hope they have enjoyed their taster days – it has been very quiet without them! On Wednesday, we welcomed our new Badgers to the class and had fun writing letters, making bottle rockets and baking chocolate muffins.

## PTFA FUNDRAISING

We are very grateful to the PTFA who raised £230 at the Quiz and a fantastic £464.60 at the Summer Fete. Thank you very much.

## MUFTI DAY - Friday 19th July

Children can wear home clothes, suitable for school, in return for bringing a tombola prize for the PTFA.

## CLUBS FOR NEXT YEAR

The forms for next year's clubs are attached. Please sign up and return them next week so that this can all be in place for the start of the new term in September.

## FORTHCOMING DATES:

- Wed 10th July - Whole School Beach trip day - weather permitting! (Maybe Mon 15th instead.)
- Fri 12th July - Reports sent out to parents
- Wed 17th July - Year 6 Leavers' trip to Cromer
- Thurs 18th July - pm - Leavers' Service and tea party
- Fri 19th July - Mufti Day - bring a tombola prize
- Fri 19th July - Last day of term
